2 – Reminder of the regulation

The regulation for the 2023 CIM Championship is available on the CIM website.

The main provisions are:

- Each boat will be assigned to one of the 5 classes of the Championship, independently of the category in which it can be entered in each event (corresponding to the “Reference Class” indicated on the measurement certificate):

Big Boats / Gaff Vintage / Marconi Vintage / Classic Marconi / Classic IOR

- Ten events selected in CIM countries: Spain, France, Italy, and Monaco, with the following events:

- Voiles d’Antibes : 31 May – 4 June
- Argentario Sailing week: 14 – 18 June
- Puig regatta (Barcelona) : 12 – 15 July
- Vela Clasica Mallorca (Palma) : 17 – 20 August
- Vela Clasica Menorca (Mahon) : 29 August – 2 September
- Vele d’Epoca (Imperia) : 7 – 10 September
- Monaco Classic Week : 13 – 16 September
- Régates Royales (Cannes) : 25 – 30 September
- Voiles de Saint-Tropez : 1 – 7 October
- Vele Storiche Viareggio : 12 – 15 October

- Boats have to participate and be classified in at least one of the races of 4 events in 2 different countries to be eligible for the CIM Championship classification
- For each of the Championship events, the final general classification of the event will be noted, and the number of associated points will be calculated (see table below).
- The ranking will be calculated based on the addition of all points obtained during participation in Championship events.

Allocation of points	N : Number of participant in the category

	13													8	16	23	30	
	14		DNC, DSQ ... all races : zero point													7	15	22
	15		DNF, DNS : points corresponding to last of the category														7	14
	16																	6

Note: for some events it is possible that the category of a participant does not correspond to his reference class (for example Hallowe'en has as a reference class Epoque Marconi, because having a reference length less than 24 m, participated in the Big Boat or Grand Tradition class). In this case the points are awarded in the category of the event, but they are counted in the reference class.
